Tree Management Consulting Business - SJ1348

A unique opportunity to purchase a profitable tree consultancy business operating for over 20 years. The business offers a range of tree management services including tree health, species selection and tree inventory surveying. Client base includes local government, property developers and infrastructure organisations.

Revenue consistently approx. \$1.8m per year.

The business has a great team of 10 experienced consultants with long tenures.

The vendor is retiring from the industry and is willing to stay on to transition the new owner into the business. This would be a great acquisition opportunity for an existing tree consultancy business or an arborist business wanting to expand into tree consulting.
