- Huge range of tyres on display

Along with a loyal customer base and highly regarded business name, this business has an established footprint with a large following and informative website. Together with the well fitted out workshop, it provides an excellent foundation for the new owner to step in and start trading from day one.

The growth potential is significant. The opportunity for increasing staffing levels, having a higher social media presence and investing further in the web site will give you increased takings coming in faster than bikes in the MotoGP.

All the hard work has already been done building a great brand so don't waste any more time, enquire today.
