This is an excellent opportunity for someone already working as an interior designer or property stylist. Simply walk in and enjoy having a perfectly functional system in place with minimal outgoings. All expenses are pre-paid by clients prior to work being completed, therefore this is a great cash flow business with limited risk.

Potential

There is enormous potential to grow your client base in such an active market. Development and construction are at an all-time high in both Vic and Aus wide. This business has a nationwide reach enabling you to take advantage of strong tailwinds.

A lot of opportunities to increase profit margin the referrals and contacts are set up, no marketing fees associated with the business other than established SEO.

A well-designed website, an active FB and Instagram following and has fantastic Google Reviews generating inquiries on a daily basis.

There is also the option to employ extra casual or permanent staff to increase the workload capacity, although the business can operate with one owner and an interior designer, who have a great knowledge of systems and processes.

Many interstate buyers are purchasing/booking properties online. Furniture Packages are an attractive way for investors/owner-occupiers to furnish a property stress-free

Services Offered

- Turnkey Furniture Packages (Full and Partial Packages)
- Transparent pricing and product structure
- Room planning and design
- Supply and logistics
- Installation and Styling
- After-sales service

The business could be relocated anywhere in Melbourne and run from a home office if required. 3PL Storage facilities are currently used for warehousing needs ensuring a relatively hands-off process.

Employees

- Owner-operator working flexible hours (20h per week maximum)

- Interiors designer employed to the business
- Various subcontractors, installers, couriers & marketing
