Business, Commercial & Real Estate

- Up to date IT systems make the practice easy to manage. Strong marketing presence
- Extensive asset list with all the latest equipment
- Cheap rent for the area of $830 per week and no outgoings
- New Lease is available for a motivated buyer

Gradual seamless handover period to suit both Purchaser and Vendor.

This would suit an existing veterinary practice wishing to expand and develop their existing set up in another area or a graduate looking to set up on their own. All the hard work establishing a client base in the local region is done and it is now primed for some new blood with energy to take this to the next level.
