

Manufacturing business specialising in Acrylic Polymers SR1362

Manufacturing business specialising in Acrylic Polymers with an emphasis on creating top quality sealant products for the construction industry.

Currently producing a Flexible Pointing Product and Storm/Valley Seals for the roofing trade. The formulation and manufacturing process for this product was perfected over two years and extensively tested in the field and is now ready to be scaled to the next level.

This product has two formulations, one for winter, one for summer and it also has a much faster drying time that most of the competitors.

Currently the manufacturing process is controlled by one working vendor and one full time employee. Currently sales are generated through distribution in Vic, NSW and QLD and business own website.

Other sealant formulations have also been formulated and tested including a concrete sealer and paver sealer.
