· All signs are well maintained and are remotely controlled once securely installed, so all sign messages can be changed without the need for a site visit

· Currently showing a respectable profit for an owner operated business

Significant opportunities exist for this business in traffic management as there is huge demand in this industry.

This business could also be of interest to existing service providers in a similar industry as it can easily be integrated.

Current owner is looking to retire from the industry, but keen to assist a new buyer with handover process.
