Key Strengths:

- Lucrative and growing business meeting the rising demand for support services

- Turnkey operation with established systems, policies and procedures, ensuring a smooth transition

- The owner is currently working full time and has decided to sell the business due to family-related reasons

- More participants can be added to the business and increase the revenue

Potential for Growth:

- Diverse Revenue Streams: This NDIS business is approved to provide several services which means you can capitalise on several streams of revenue

- Positive Cash Flow: Invoices via the NDIS portal are paid very quickly making this a positive cash flow business

- Existing Client Base: As there are already clients using the services, this means you will generating revenue immediately and the new owner can focus on retention and growth rather than starting from zero.

This NDIS business presents a unique chance to blend financial prosperity with a meaningful purpose.
