

# Ecommerce business custom & Practical Supplies - SJ1492

**Under Contract**

This is a rare opportunity to acquire an ecommerce business selling in a profitable niche Australia-wide. Customers include dentists, chiropractors, GP clinics and optometrists.

Asking price: $100,000 plus stock approx. $90,000.

FY24 adjusted net profit was approx. $115k to a hard working owner operator from revenue of $700k. There is significant potential to grow this business with ad spend currently only $5-10k per year.

Approx. 90% of sales are B2B, with most coming in through their Shopify website.

This business is easily relocatable and would require a small storage facility for the stock.

The vendors are committed to a smooth transition and can assist the new owner for several months as required.
