- **Strong Brand and Reputation**

Boutique in size but big on impact, the brand has earned a reputation for thoughtful, reliable, high-quality execution. Clients return for a reason. Events are well-run, detail-driven, and memorable. The ability to consistently deliver events for 10-370 guests places it in the upper tier of experience providers.

- **A Great Fit for a Range of Buyers**

This opportunity would suit an existing agency looking to expand, a production company ready to move up the value chain, or a creative, coach, or wellness practitioner wanting to step into the corporate events space with a respected brand.

- **Supportive Handover Included**

The current owner is committed to ensuring a smooth transition and will provide an extended handover period. This includes introductions to key partners, handover of operational systems, and deep insights into event delivery. Whether you're experienced in the industry or brand new to it, you'll be well supported from day one.
