NDIS Registered Provider & Home Care Package Supplier AF1588

Established | Compliant | Active Participants | National Registration

An exceptional opportunity to acquire a fully registered and operational NDIS provider with active participants currently receiving services. The organisation has successfully completed its compliance audit and is positioned for immediate continuation and future growth within Australia's rapidly expanding disability and aged care sectors. The provider is nationally registered, allowing service delivery across multiple states, and includes Home Care Package (HCP) supplier capability. With established participants, operational systems, and a unique program included in the sale, the business offers both immediate revenue and significant expansion potential.

Key Highlights

- Fully registered NDIS provider with completed compliance audit
- Active participants currently receiving services and generating revenue
- National NDIS registration enabling interstate operations
- Approved Home Care Package (HCP) supplier capability
- Exclusive Starlight Sensory Program included in the sale
- Established operational systems, policies, and procedures
- Strong demand in the disability and community care sector
- Significant growth potential through service expansion and geographic reach
