In an industry where compliance is everything and lead flow is king, this business gives you a strong advantage. The AI platform handles lead generation and day-to-day administration, allowing you to focus on growth, lender relationships, and scaling your network - rather than manual processes.

Perfect For:

- **Existing mortgage or finance brokers** wanting to elevate into an aggregator role and earn aggregator commissions
- **Fintech entrepreneurs** and innovators looking for a licensed vehicle with powerful AI capabilities
- **Established aggregators** seeking to expand their footprint or add sophisticated AI automation
- **Ambitious finance professionals** ready to build a scalable, high-margin national business
- **Investors** looking for a high-value, regulated asset with strong growth potential in the Australian credit sector

Whether you want to run a lean, highly automated operation or rapidly expand a broker network, this business provides the regulatory foundation, technology, and systems to do it faster and more profitably.

Asking Price: $140,000 (serious enquiries only)

Serious buyers only. This is a genuine rare opportunity — businesses combining an active ACL with proprietary, ASIC-compliant AI systems are extremely scarce in the Australian market.Step into the lucrative finance aggregation industry with a fully equipped, turnkey operational infrastructure - ready to generate automated leads and scale immediately.
